### XXX Men only.... Purity and Pizza (At church)

"I'd like to do something for the men's ministry at our church but not a traditional type meeting... What do you say we do a *XXX men only, purity and pizza night*?"

Pastor Stephen Strader, looking across the lunch table at me, smiled at my reaction. "I like to sensualize things a bit" he said.

I had heard of churches doing "Porn and Pancakes" breakfasts around the country with a ministry called XXX Church but I had not been involved with them.

I agreed to speak that night and we had an incredible response. I have shared my story of freedom many places but this atmosphere was so ripe for freedom that when I gave

the invitation for men wanting to break free from addictions in their lives 50% of the men in the meeting stood up and came forward.

We had a great time of prayer and I encouraged each one to become accountable to someone at some level. I thank God for this pastor's creativity and willingness to try something different.

The statistics listed below are staggering. This problem is not going away. It is growing at an exponential rate.

Years ago I asked God why it took me so long to get free? His reply, "So you never forget the thousands of people who sit in church every Sunday still bound by strongholds in their lives."

**The Lord has called us to the front lines of this battle with my testimony. Our family appreciates your prayers and support.**

## How often do I “weep and sigh because of the sins” around me?

As I was asking God what I should write about this time I read in Jeremiah these words: “. . . *And they have filled this place with the blood of innocent children.*”

Immediately I thought of North America and how many unborn babies are slaughtered here every year. We have “filled this place with the blood of innocent children”. Once again I was convicted of the apathy in my heart. What have I done about this sin in my nation? I was reminded of a passage of scripture that spoke to me a while ago in Ezekiel 9:4-5. *“He said to him, ‘Walk through the streets of Jerusalem and put a mark on the foreheads of all those who weep and sigh because of the sins they see around them.’ Then I heard the Lord say to the other men, ‘Follow him through the city and kill everyone whose forehead is not marked.’”*

How often do I “weep and sigh because of the sins” around me? Have I buried my head in the sand? Would God’s angel pass me by and not give me the mark? Oh God, forgive me, forgive us as a church for not mourning over the sins of our nation. *Cathy*

**Deanna writes;** Every Saturday, a team of us go to an abortion clinic in Charlotte, where we see 30 to 60 women undergo abortions every week... this is just one day, at one abortion clinic. This clinic, along with two others in Charlotte, is open all through the week as well. We see women from the age of twelve to mid-forties coming to this horrendous place. The hardest part of it all is seeing the “Jesus” bumper stickers on many of the cars as they pull into the clinic.

As a team, we may seem controversial to some, but our goal is to save lives and bring women to Christ. We hold signs depicting abortion, we have a sound system where we share the love of Jesus and the truth about abortion over the loudspeakers, and I usually take the role of actually going up to the

cars on the way in and talking to the women about their decision, giving them literature if they are willing to talk. I have loved working with this team, because I see the love of Christ all over them—I have watched these team leaders take women into their home more than once.

We are connected with adoption services, doctors who have offered their services free of charge, and crisis pregnancy centers. We also try to give baby showers to anyone who stays in contact with us after they change their minds.

One week, two of us were able to stop a mother and father, pregnant with their fourth child. We shared the horrible truth about abortion, the methods they use, the affects on the parents, and most importantly, the spiritual affects. We shared the gospel with them for over half an hour, and finally I asked if I could pray with the woman. She broke down and began to sob, and gave me her hand. As I prayed, I saw tears streaming down the father’s face as well. When we finished praying, we were able to lead both of them to Christ! By the time they drove away, we were all crying tears of joy... not only was a child’s life saved on this earth, but a family saved for eternity!

The sad truth that most of us are unaware of is that abortion is happening all over Canada and the United States as I type this letter and as you read it.

What’s worse is that we as a church are doing little to nothing about his horrendous act. **Over one third of the next generation in North America is being lost to abortion.**

It does not take a lot to get involved. Pray about whether this is something that you should become a part of... whether it is prayer, political, or showing up at a clinic yourself once a week with a group of friends and sharing the gospel. Sometimes all these women need is someone to tell them the

truth for them to change their minds. I pray we as a church wake up and begin to fight the enemy who is vastly killing off a generation right before our eyes.

**Our family had the opportunity of visiting some of the area’s around North Carolina where Drew and Deanna live.**

**Inner City ministry in Savannah, GA. The church was so small but the power of God was great!**

## Praise Reports:

**Rockhill, S.C.** We spoke with a woman who had responded to the call for freedom last year on behalf of her son. He had struggled increasingly for years with anxiety. She said after that service she noticed a marked improvement and today he is totally healed. The proof was that weekend he was sleeping at his grandparents, something he could never do even though he was 10 years old.

**Concord, North Carolina.** On January 6 we had the privilege of singing at the church Deanna and Drew youth pastor. The people were wonderful and treated us like we were their family. We were able to stay parked there for a cou-

ple of weeks and have some quality visiting time with Deanna and Drew.

### Port Royal, S.C.

God's presence was strongly felt during the service. Many people remarked how God had worked in their life. One hardened marine commented he hadn't been to church in 3 weeks but God had really moved in him that day. We had a chance to minister to

a couple in the church on a one to one basis and they said it had help make a difference in their relationship together and with the Lord.

**Savannah GA.** One lady said God had been convicting her about her TV. What Lloyd said confirmed it to her. We also got to sing in an inner city church and saw many come to know the Lord and respond for freedom

**Lakeland FL.** One man remarked that he appreciated Lloyd being willing to say the hard things the church needs to hear.

**Lakeland FL. Ignited Church;** Lloyd spoke to 80 men on a Monday night for a XXX Men only-Pizza and Purity night. When the invitation for freedom was given 1/2 the guys responded.

Some men from a half-way house responded to the call for salvation as well. An amazing success on a MONDAY night!

**Milton FL.** 6 decisions to follow Christ and 70 persons at the altar for freedom.

**Five** unexpected bookings this last tour. **WOW! God is faithful!**

**Elise enjoying a laugh with Dad!**

## Home on the Road Update....

The projected sale of the old bus is only going to be about \$5,000.00 instead of \$15000.00 as we hoped. We didn't include the sales tax in our

earlier estimate as well so the number needed has changed slightly. We are not discouraged but patiently waiting and saving until the right

bus is available for the right price. We appreciate your prayers about this as well. Thanks to all those who have helped us thus far!

**The fund is still growing. Only \$55,000.00 to go. Prayerfully consider helping us.**
